

# 450W OSCILLATING SPINDLE SANDER

## TSPS450

Triton's Oscillating Spindle Sander offers outstanding performance and a precise finish to every woodworking project.

Stability and enhanced material support for larger stock is provided by the 370 x 295mm cast-iron table. The oscillating action moves the drum up and down during rotation, reducing the static friction that causes burning and eliminates band marks.

Supplied with 6 sanding sleeves (13-76mm dia, 80 Grit), with matching rubber drums and table inserts, the TSPS450 is well equipped to provide a professional finish to internal as well as external profiles.

### POWER

Powerful 450W motor

### DUAL ACTION

Rotating & vertically oscillating spindle

### LONG LIFE

Solid cast iron table

### TECHNICAL PERFORMANCE

No Load Speed:	2000min <sup>-1</sup>
Oscillations:	58opm
Stroke Length:	16mm
Table Size:	370 x 295mm
Sleeve Sizes:	13, 19, 26, 38, 51 & 76mm dia x 115mm length

Rotating & oscillating spindle action increases sanding efficiency & minimises burn on the workpiece

Large 370 x 295mm cast-iron table for stability & enhanced material support

On-board storage keeps all accessories neatly to hand

Dust port connects to an extraction system for a cleaner & safer working environment

Locating holes for secure bench mounting

Supplied with 6 x 80G sanding sleeves 13-76mm dia & matching drums

Powerful 450W motor for demanding sanding tasks

Dimensions (L x W x H):	390 x 330 x 450mm
Weight	12.9kg

"I love how easy it is to change sanding sleeves! Everything is right there. This machine is built very well; it will stand up to daily use"

**Claudia Fletcher**

### WHAT'S IN THE BOX

1 x TSPS450 Oscillating Spindle Sander
6 x Sanding Sleeves (80G)
6 x Table Inserts
5 x Rubber Sanding Drums
1 x Spanner
1 x Dust Port Adaptor
1 x Instruction Manual
